

## CITY HALL NEWS

► **Social Circle Comprehensive Plan Coming Soon!** In the next few months, the City will be seeking public input on a Vision for the future of the City. With your input, the city will develop goals and a community work plan to support that vision. Look for more information on meetings, workshops, and other opportunities for you to share your opinions and suggestions on transportation, housing, economic development, infrastructure, community facilities, natural resources, parks and trails, historic preservation, and other topics of concern. For more information contact Adele Schirmer, City Manager at 770-464-6901.

► **Mapping of water and sewer distribution system -** Recently the City of Social Circle hired a professional consulting firm to perform an analysis, locate, and identify all of our major water pipes, valves, fire hydrants, sewer mains, and manholes located throughout the city. The firm is using a geographical information system (GIS) that will allow staff and engineers to analyze each of our systems electronically, looking at virtual maps to evaluate the best solution for problem areas. These efforts will allow the city to provide improved services to the citizens saving time, money, and will allow future upgrades to these systems be performed more effectively and efficiently. You may have noticed pink survey tape on many of our hydrants, valves, and manholes throughout the city. This tape allows easy identification for the GIS mapping team to locate each hydrant and put them on the map. For more information contact Barry Parsons, Water Resources Director at [bparsons@socialcirclega.com](mailto:bparsons@socialcirclega.com) or 770-464-2380

► **Roundabout Construction Update -** Construction work on the roundabout at West Hightower and Alcova Rd has slowed down while the utilities are being relocated. Comcast and the City of Monroe have completed their moves. AT&T is in the process of moving all of their equipment and are currently

ahead of schedule. At this time, we expect the roundabout to be complete by the end of April.

► **Volunteer Firefighters Sought -** Are you interested in helping your community? The Social Circle Fire Department is looking for volunteer firefighters. The department offers free training, pay per call, and enrollment in Ga. Firefighters Pension Fund. If you're interested in becoming a volunteer firefighter there will be an organizational meeting on March 13, 2017, at 7 pm, at the fire station located at 165 East Hightower Rd. Volunteer Firefighter Applications can be found on our website at [www.socialcirclega.com](http://www.socialcirclega.com). Completed applications can be dropped off at the fire station or brought with you to the meeting. To be eligible to be a volunteer firefighter you must be at least 18 years old, have a high school diploma or equivalent, complete background check (no felonies within 10 years), and maintain a valid Ga. driver's license. For more information, contact Chief Ken Zaydel at 770-464-0621.

► **Historic Photos Needed - Arcadia Publishing wants to do a book on Social Circle!** We are seeking photographs and captions of Social Circle through the years. At least 200 photographs are needed, although more are welcome. We would like to include all aspects of the community, people, places, events, landmarks, and more. If you have pictures and information to contribute, or if you would like to assist in assembling this information, please let us know. Jenny Watt, Community Marketing Specialist, will be coordinating this effort (770-464-1866 or [JLWatt@socialcirclega.com](mailto:JLWatt@socialcirclega.com)). All costs associated with publishing this book are covered by Arcadia Publishing and the book will be available at Barnes and Noble, Amazon, and local stores. We anticipate approximately a one-year effort to collect the images, prepare the captions, and publish the initial issue. Groups will be able to purchase the book at a discount to resell for fundraising. Help us capture the rich history of our Social Circle community.

**SCHOOL NEWS**

**2017 National Junior Olympics for Precision Air Rifle** Two athletes from Social Circle High School Varsity Precision Air Rifle Team applied to compete in the 2017 Regional Junior Olympics. Team Captain Jarrett Dooley (Senior) and Ashley Clegg (Sophomore) received their approval to compete 14 January at the University of North Georgia in Dahlonega, GA. The National Junior Olympic program provides shooters with competitions year-round. The program runs matches throughout the country, making it accessible for all interested juniors. Junior shooters are able to participate in State Competitions sanctioned by USA Shooting, allowing them the chance to receive an invitation to shoot at the National Junior Olympic Championships hosted by USA Shooting in Colorado Springs, Colorado. The Junior Olympic goals are to allow the skilled junior athletes to obtain National competitive experience for future development. The program also serves as an opportunity to appoint the top finishers to the National Junior Team. GO Redskins! ---BRUCE CHICK Colonel, U.S. Army (Ret.), Senior Army Instructor, JROTC
