# HAPPY THANKSGIVING

### Christmas Tree Lighting and Celebration!

Join us for our annual Christmas Tree lighting and Christmas Celebration. We will kick off the night by lighting the tree! Then, walk through Friendship Park and participate in Christmas-themed games and activities. Santa and the Grinch will be there for free photos with the kids. Take a cup of hot chocolate, make smores, and go hayride around Downtown!

### Check Underground Gas Pipe

As your natural gas distributor, the City of Social Circle must make safety recommendations regarding underground natural gas piping. The City operates its gas system with an emphasis on safety. We are required to design, operate, and maintain our underground gas pipeline system in accordance with prescribed federal safety standards. The gas department does not maintain the gas piping downstream of the gas meter. This is the responsibility of the customer who owns that piping. If the buried pipe is not properly maintained, it may be subject to corrosion – if the piping is metallic – or leakage. To ensure the continued safe and reliable operation of these lines, the buried piping should be checked periodically. You or the building owner should contact a licensed plumber or heating contractor to assist in locating and inspecting buried gas piping. If any unsafe condition is found, repairs must be made immediately. For more information, visit [www.socialcirclega.gov](http://www.socialcirclega.gov) or call City Hall at 770-464-2380. Please disregard this notice if you do not have buried piping beyond the gas meter.

### Call BEFORE you dig!

If you plan to dig around buried gas piping, first dial 811 or call the Georgia One Call Center at 800-282-7411 three (3) days before you or your contractor dig so that all buried cable may be located. This is a free service. Flags mark where cables are buried.
