City of Social Circle Police Department

physical restraint.

- Knowledge of the Social Circle Police Department organization, policies and procedures; geographic layout of the City of Social Circle; vocabulary of technical/specialized fields of law enforcement such as identification, detention and pathology.
- Successfully completing the Certified Peace Officers' Standards and Training (P.O.S.T.) Basic Course and the Social Circle Police Department's Field Training Program.
- Skill in learning, interpreting, applying and explaining complex laws and regulations; reading and interpreting documents such as maps, diagrams and textbooks.
- Skill in performing accurate mathematical calculations; comprehending and retaining factual information and applying what is learned.
- Skill in observing and remembering details of events, names, faces, numbers and physical descriptions; preparing and maintaining clear, accurate and concise reports and files.
- Skill in communicating effectively in both verbal and written form; exercising tact, self-restraint, judgment and strategy in dealing with people of all races, ethnicities and socio-economic groups and who may have emotional or physical difficulties.
- Skill in exercising sound independent judgment in emergency or stressful situations; correctly interpreting a given situation and taking appropriate action under a variety of conditions.
- Ability to react quickly and calmly in emergencies.
- Ability to understand and carry out oral and written instructions.
- Ability to gather, assemble, analyze and evaluate facts and evidence and to draw sound conclusions; working ability to obtain valid information by interview and interrogation.
- Ability to work rotating shifts, varying hours and be on call.

Supervisory Controls: The division supervisors assign work in terms of specific tasks and duties. The patrol officer's work is reviewed through reports and observation of activities.

Guidelines: Guidelines include federal, state and county ordinances and regulations and Social Circle Police Department policies and procedures governing law enforcement action, including court procedures. These guidelines require sound judgment and interpretation in application.

Complexity: The work involves performing various duties in protecting life and property and enhancing public safety in the City of Social Circle. The incumbent is required to perform varied duties including physical observation, simultaneous operation of vehicle and computer, processing reports and interpersonal communication – often in adverse situations. Diversity of population served, rapid growth in population and rotating shifts add to the complexity.

Scope and Effect: The purpose of this position is to protect the public and ensure a safe environment within the city limits of Social Circle. Successful implementation of the work results in a safer atmosphere and a decrease in citizen victimization.
